Synopsis: On September 28, 2022, you were required to respond to the Pinellas County Jail during the Hurricane Ian activation and response.

You were provided a supervisory directive to report for an assigned shift.

You failed to comply with this directive, informing supervision that though the response was mandatory, you would not be reporting for your assigned shift on this date.

You testified that you were aware your position was considered essential, that you would be required to respond, and that there would be consequences for neglecting your assignment and associated duties and responsibilities.

You admitted to this violation.

Disciplinary Points and Recommended Discipline Range:

You were found to be in violation of one (1) Level Five Rules and Regulations violation totaling fifty (50) points. These points, which were affected by no modified points from previous discipline, resulted in fifty (50) progressive discipline points. At this point level, recommended discipline ranges are from forty (40) hours Suspension to Termination.

Disciplinary action shall be consistent with progressive discipline, for cause in accordance with the provisions of the Pinellas County Civil Service Act.
